New modes of publication

Wikipedia exercise

Wikipedia (see also Alan Liu Student Wikipedia Use Policy – Google it)

Find an article on Wikipedia related to your project (or another interest);

- Open an account (by group or individual – probably best by group)
- Check history
- Make an edit on that page
- Check 'watch this page'
- Look at the 'discussion' about that page
- Check 'my watchlist' for other edits.

Monitor over the week and see what happens to your edits. We will revisit this at the next session.
